2013-2017
**SOFTUNI, JAVA**
January 2023 - April 2023
**HIMERA, Web & Javascript(Frontend developer)**
September 2023 - Mart 2024

## LANGUAGE

Trilingual - Serbian, English and Italian

## COMPUTER SKILLS

HTML5, CSS3, SCSS, Bootstrap 5, Git & Github, Vanilla Javascript (ES5, ES6,...), jQuery, React,
WordPress, Figma and Webflow, Java(basics)

## EXPERIENCE

IT runs in the family, my uncle is the one who brought me into the field. With basketball being priority throughout my life up until this point, I have decided to shift the priorities in ITs favor. Basketball gave me the foundations needed in every career, such as discipline, hard work, comittment, focus and the will to always learn and improve.
